PROFESSIONAL SUMMARY

I am Vaibhav Kadam, a student in the Computer Engineering Department at Vishwakarma Institute of Technology. In my opinion, I am an energetic person and a perfectionist, and I have learned to be satisfied with my efforts as long as they are of high quality. In addition, I enjoy working with others in a close-knit team

EDUCATION

BTech Vishwakarma Institute Of Technology, Pune **2021 - 2025**
CGPA 8.7

High School Shri Shankar Maha Vidhyalay , Ghatnandur **2019 - 2021**
85.67

ACADEMIC PROJECTS

CRYPTOCOMM **4th Semister**
BLOCKCHAIN BASED CHAT WEBAPP

Cryptocomm is a groundbreaking project that involved the development of a decentralized chat system. The aim was to create a secure and private communication platform by leveraging the power of NodeJS backend, ReactJS frontend technologies, and the Ethereum blockchain.

ROBO SHIELD **4th Semister**
COLLISION AVOIDANCE AND DETECTION ROBOT

An app-controlled robot designed for collision avoidance. It features an ultrasonic sensor that detects obstacles in its path and a motor driver that controls the speed and direction of two DC motors.

CASH FLOW MINIMIZER **4th Semister**
MINIMIZES THE NUMBER OF TRANSACTIONS BETWEEN DIFFERENT BANKS

Implemented a cutting-edge system that optimizes transactional efficiency between diverse global banks with varying payment methods, streamlining the process and minimizing the number of transactions required. Utilized a centralized world bank, equipped with multiple payment modes, as an intermediary to facilitate seamless transactions among banks lacking a shared payment method.

TECHNICAL SKILLS

Programming languages

C , C++ , JAVA , Python

Database management

MySQL

Web development

HTML , CSS , Java Script , Bootstrap

Development Tools

VS Code , Android Studio , Figma , IntelliJ ,
R Studio , GitHub

EXTRACURRICULAR ACTIVITIES

FOUNDING MEMBER **April 2023**

SwanX : CaaS Based Startup

We basically help brands to grow their social media pages and build a strong community online.

TECHNICAL COORDINATOR **August 2022-23**

SW&D Committee, VIT Pune

In my position, I was part of the team that handles all the event's technical work. Application development was our specific area of expertise.
